Home-Start... Support & friendship for families in West Somerset

Home-Start West Somerset is an independent charity which has been committed to providing effective support for families in West Somerset since it was established in 2002. We are asking our local businesses to support us with this important and invaluable help.

Why Are We Needed?

Home-Start provides a unique service for families with children up to five years throughout West Somerset, who are finding life difficult and parenting a challenge. **We are a totally self-funding charity, without any Government finance.**

Our approach is two-fold:

We fill the gaps left by public services no longer available. Our experienced staff run groups including Real Birth antenatal workshops, Bump-Start, Baby-Start, Baby Massage, Tuning into Kids, Dad Matters and SHINE. We also offer family cooking classes.

Our thoroughly trained and supervised volunteers visit families at home each week, supporting families in situations such as isolation, bereavement, multiple births, illness, disability or struggles with mental health. Non-judgemental, practical and emotional support can help enormously to build the family's confidence and ability to cope, especially in times of vulnerability and despair. A good start in life is halfway to a successful life.

Home-Start West Somerset

Now more than ever we need our local community to support us in this important work. So please consider becoming a **Business Friend of Home-Start West Somerset.**
