### Support & friendship for families in West Somerset

#### Why We Are Needed...

Home-Start provides a unique service for families who are finding life difficult and challenging – recruiting and training volunteers to support parents with young children at home. Home-Start volunteers visit families at home each week, supporting parents in situations such as isolation, bereavement, multiple births, illness, disability or who are just finding parenting a struggle. They provide non-judgemental practical and emotional support and help build the family's confidence and ability to cope.

We also run various groups including Real Birth antenatal workshops, Baby-Massage, Baby-Start, SHINE and Tuning into Kids as well as offering family cooking demos.

#### Home-Start West Somerset
